Hello all,

Attached is a copy of the draft minutes and action items from the April meeting in San Francisco. Please review and send me and David Lusk your comments.

Also, as reflected in the minutes, it looks like we're not going to have a whole lot of new/follow-up material to discuss in June (six weeks away), so the question has been posed; "Do we want to cancel the June meeting?" Another option would be to have a ½ day phone conference.

Please let me know your thoughts on the June meeting ASAP. If we're going to have a face-to-face meeting we'll need to start planning out travel arrangements soon.

Thanks,

Jorge
